Dear Member,

It's that time of year again. The annual Church campaign will be held from date to date. During this time we are asking our members to show their support by contributing to our campaign. Our goal this year is \$ amount.

Funds raised from the annual campaign will help support our various programs and initiatives. This year the youth group is planning a trip to location and will rely on funds from this campaign. We are also planning on sponsoring a program that will provide winter hats and gloves to those in need. In addition, funds will help support our daily operations and will enable us to continue in our work.

We have enclosed an envelope with this letter and hope that you will help support our campaign. We thank you for your generosity.

May God bless you!

Warmest Regards,
